The Owego-Apalachin school district's transportation department will host an open house from 5 to 7 p.m. Thursday at the district transportation facility, 1315 State Route 96, Owego.

Visitors are invited to tour the facility, talk to bus drivers and check out district mechanics' technology display, which will show how the industry has changed over the years. A district maintenance vehicle will also be on display, showing how OA is recycling its vehicles to get longer lives from them.

State Police will be on hand to perform car seat safety checks and at 6:30 p.m., School Bus Safety poster contest winners will be announced. For more information, contact the transportation facility at 687-3600.
