Dear Parents/ Guardians:

Parents, guardians, and students, we are going to have the OFA Graduation **in Front of OFA**. We will be closing off Sheldon Guile Blvd. in front of OFA and moving bleachers and additional seats onto that area. The students, marshals, administrators and board members will be seated directly in front of OFA facing the audience. Although there should be enough seating with the bleacher and chairs that we will have setup, you are welcome to bring a folding chair and setup seating in the lawn. We will not be distributing tickets or restricting the number family members that want to attend.

- Graduation practice – Thursday, June 21st at noon. (seniors should arrive by 11:45 a.m)
- Graduation in front of OFA - **Saturday, June 23rd, 2018 at 10 a.m.**
- Seniors must be at school by 8:30 a.m.
- Parking will be in all lots other than the side of OFA next to the stadium due to safety for graduation. The drive in front of OFA will be closed for the ceremony.
- Lots that will be open are:
 - OFA Student Parking
 - OAMS
 - Pool
 - OES

- Golf carts will be circulating to transport individuals that have difficulty walking.
- The bathrooms in the pool lobby area will be available during and after the ceremony.
- A picture background, cookies, and refreshments will be located in the courtyard next to the pool entry.
- Please do not bring any pets (dogs) on campus during the ceremony.

As always, if we have inclement weather on the day of graduation, our backup site will be the OFA gymnasium and the auditorium (via live feed) for overflow.

I look forward to seeing all the seniors and their families at graduation. Congratulations on making it to this milestone in life.

Thank you,

Heath H. Georgia
