

**OWEGO APALACHIN MUSIC DEPARTMENT
HOLIDAY KALEIDOSCOPE CONCERT
DECEMBER 18 & 19, 2016**

The *Holiday Kaleidoscope Concert* is the most popular event presented by the OFA/OAMS Music Department! We present this concert every two years and many people look forward to hearing the many musical arrangements of this festive season in a very unique format. The audience will be “surrounded by music” as our student musicians perform from several locations around the theater. This concert should last a little more than one hour – because it is presented “non-stop” - one selection leads directly to the next. The audience will need to save their applause for the very end of the program!

Because the *Holiday Kaleidoscope Concert* is such a popular concert, and because we’ve experienced “standing room only” in the past, we will present the concert two times. To manage the audience size we also distribute **FREE** tickets to the concerts. This is done to ensure that everyone can attend a performance but also ensures that we can provide a safe environment for the audience and the performers.

There is **NO CHARGE** to attend the concert – but anyone who attends should have a ticket! Tickets will be distributed to anyone who wants to attend until we run out of tickets. Please use the form below to ensure entrance to this amazing event. Ticket reservation forms will first be distributed to the families of the performers to ensure that they get “first priority”. Although we won’t turn anyone away, we ask that you try to limit your family to four tickets if possible. Tickets will be available to the general public after **December 7**.

(Detach & return to the any Music Department teacher – M. Burrell, D. Fabricius, K. Gould, or L. Williams)
