

STUDENT ACCIDENT FIRE EVACUATION COMMITTEE  
OF  
OWEGO-APALACHIN CENTRAL SCHOOL DISTRICT

OUR MISSION

The S.A.F.E Committee is not-for-profit and organized exclusively for educational and “hands on” training purposes. The primary purpose of the S.A.F.E Committee shall be to provide education in preventative measures and evacuation training involving accidents, fires and emergencies. This will commence the start of the 1989-1990 school year and continue into future years along with all mandated transportation safety curriculum.

1. Professional Improvement: The training will include all Owego-Apalachin Transportation Personnel involved with student busing and area law enforcement and emergency agencies.
2. Communications: The training will extend to Owego-Apalachin Central School District administrators, students, teachers, support staff, coaches and parents.
3. Information Exchange: The training will extend to drivers, administrators, students, teachers, support staff, coaches and parents of other school districts, and community groups.
