2020-2021 Enrollment Decision: 20-Week Intent to Change Learning Model

January 8, 2021

Dear OA Families,

We are currently at the end of the 16th week of instruction and have seen extraordinary work happening across the district. Along with our staff, you continue to work together to provide our students with the best educational experience possible. As we approach the end of the 2nd Marking Period, families now have another opportunity to update their current enrollment status. Please fill out the form if:

- If your child(ren) are currently enrolled in 100% virtual instruction and you would like to switch to in-person (K-6th) or Hybrid (7th-12th)
- If your child(ren) are currently enrolled in-person or hybrid and wish to change to 100% Virtual Instruction

**If you are not changing your enrollment, there is no need to fill out the form.*

Your updated decision must be sustained for the third marking period (February 1st -- April 14th) of the school year due to the complexities in continuing to meet the necessary social distancing guidelines in classrooms and on school busses. All enrollment decision changes must be submitted by Noon on Friday, January 15th. This will provide us ample time to make adjustments to classroom set-ups and transportation.

Please make your enrollment decision using the following form: <https://forms.gle/AVai7xJEFqtVvgD77>
