Dear Parent or Guardian of Owego Apalachin Central School District Student:

This is to inform you that a provision of the New York Education Law requires the school district to notify you of your rights regarding referral and evaluation of your child for the purposes of special education services or programs upon your child's entry in public school.

If you suspect your child has a disability that would impact his/her education, you can contact me at the address or phone number at the top of this page to inquire about the referral process.

For further information, the Parent's Guide to Special Education in New York State may be found on the New York State Education Department website at www.nysed.gov.

Sincerely,

Thomas E. Comerford, III
